B. Senior Nutrition Update:

No Senior Nutrition update

V. ACTIVE AGENDA

A. Bert Lipps Pool:

Mr. Barker gave a brief presentation on the current state of Bert Lipps Pool. He explained the reason for the public meeting and the survey. Mr. Barker had available for those present a synopsis of the results of the survey and read a few of the comments from the survey. After his comments the floor was opened to any of the citizens to add their comments to the record. Following is a list of the citizens that attended the meeting and their comments regarding the pool.

Cheryl Morgan Flory: The pool needs to be opened back up as soon as possible.

Shari Troutline: Orchards pool is such a gem but something needs to be done to provide a pool for people on Normal Hill and downtown. She is worried a splash pad would have some vandalism.

Molly Steele: Ms. Steele said she knows kids that did not get to swim this summer because Bert Lipps was not available.

Cathy Jo and John Zeller: would like to see the pool rebuilt and not include a splash at the site.

Aurora Zeller: She believes that kids are not as happy with a splash pad as they are a full size pool.

After the comments Commission Chair Balmer asked if the if the Commission had any other comments and if they would like to make a recommendation in the form of a motion to Council. Commissioner Jenkins made a motion to replace the current pool and look at the

possibility of other amenities including a splash pad. Commissioner Glines seconded the motion, all approved.

VI. OLD BUSINESS

A. Fiscal Year 2024 Projects:

a. Facilities

- i. Library Lighting Replacement: The original work done at the Library including the lighting was not done to Commercial grade and a good deal of the lighting is failing. There is a grant that they are working on but finding it hard to comply with the Made in America clause that is part of the grant requirements.
- ii. City Hall West Windows: have not had anyone bid on this job as of yet.
- iii. Carnegie Library Exterior: Carnegie needs new gutters and painted at the minimum.
- iv. Police Training Center Roof: Project complete
- v. Traffic Control Roof: Project complete
- vi. Fire Station Diesel Particulate Mitigation: Project complete

B. Golf

- i. Cart Barn Replacement
Staff have been working on design options to possibly include a new maintenance shop as well as space for the addition of golf simulators that would bring in lease revenue from an operator of the simulators.
- ii Driving Range Improvements
Additional/replacement poles and the netting have been installed and the project has been completed
- iii Equipment Purchases: Tractor, Greens Mower, Surrounds Mower
All equipment has been ordered and we are awaiting delivery of some of the items. We were able to buy a few gently used items which allowed us to purchase all equipment initially requested with the funding provided in fiscal year 2024, which also included a fairway mower and a pull behind aerator.

C. Parks

- i. Community Park Basketball Courts and Fitness Area
Director Barker met with the owner of Living Waters to discuss a landscape plan for the parking lot area and future landscaping around the amenities. That work would begin this coming fall and then conclude once the amenities are installed in 2025. Additionally, Barker made a request to the City Council at their budget work session on Monday, May 20th to incorporate remaining FY '22 funding to complete all of the work that was approved that fiscal year.
- ii Pioneer Park Playground and ADA Parking – IDOC Grant
There was a bid opening for the parking lot stalls and the lowest bid came in at \$77,000.00.

VII. COUNCIL LIAISON COMMENTS

Councilor Spickelmire was not in attendance.

PARKS & RECREATION

JULY 2024

MONTHLY REPORT

ADMINISTRATION

- Director continues to work with members of the Urban Forestry and Cemetery Commission s well as staff to update the Normal Hill Cemetery Master Plan.
- Director worked with P1FCU to update signage within our park system related to areas that the credit union is a sponsor.
- Director and Public Information Officer finalized the Bert Lipps Pool Survey and made it available to the public on July 9th. The survey will close on August 6th prior to the Parks and Recreation Commission's meeting which will take public comments related to the future use of the pool site.
- Director met with staff from Purchasing to discuss possible surplus items and items that may need to be removed from areas at the Warner Shop that are managed by the P&R Department. The work of fully going through supplies and items that are stored at the site will be a Fall project.
- Director and Park Maintenance Supervisor continue to work with members of the LC Valley Pickleball Club on additional projects at the courts, the current project is for the installation of a concrete slab and shade structures on the east side of the courts.
- Director met with staff from CourseCo to update the proposed FY 2025 Bryden Canyon Golf Course Management Plan as well as conduct the quarterly check in on the course.
- Director assisted a student from Genesee High School on her Senior Project which is to remove and replace the playground at the elementary school. This project includes connecting with service providers and potential donors for the equipment as well as consulting on design elements.

CEMETERY

- Assisted in planning 2 cremation burials
- Assisted in planning 5 full casket burials
- Performed 4 cremation burials
- Performed 1 niche placements
- Performed 7 monument staking's.

PARKS

- Addressing irrigation issues has been our primary focus, especially with excessive heat.
- The heat is taking a toll on many areas but we are staying ahead of it.
- Vandalism did some real damage to the Pioneer Park Fountain. All of the caulking and backer rod was removed from all of the joints on the concrete surface. This alone was \$1,300.00 for the materials to replace it. The caulking needs time to cure.
- Supreme Power Sports did a demo for us on a robot mower. This was held at Sunset Park and had favorable impact on the Parks Staff. IT came as well, which was greatly appreciated. We plan on doing another demo at the Cemetery to see if it will work there.
- Construction on the Bridge Approaches, along the creek at East End Park and the Community Center have caused some major irrigation issues.
- Staff attacked puncture vine at Modie and Clearwater Parks.
- Pioneer Park wood has been removed. We are in the process of contracting out the stump removal.

COMMUNITY POOL SURVEY RESULTS

THE FUTURE OF BERT LIPPS POOL

July 9, 2024 - August 6, 2024

www.cityoflewiston.org/249/Parks-Recreation

BRIEF HISTORY OF Bert Lipps Pool

Bert Lipps Pool was constructed in 1947 and has been a cherished summer destination for Lewiston families and youth.

Unfortunately, severe structural issues discovered during the summer of 2023 have led to the pool's indefinite closure. The nearly 80-year-old structure has aged to the point of being beyond repair. Now, the City Council must decide how to move forward with this facility.

BRIEF RECAP OF CITY COUNCIL DIRECTION

During the June 3, 2024, City Council Work Session, the Lewiston City Council tasked the Parks and Recreation Commission with gathering public feedback and using it to make a recommendation regarding the future of the Bert Lipps Pool property.

To fulfill this request, the Parks and Recreation Commission published a survey on July 9, 2024, inviting all residents to participate. The survey concluded on August 6, 2024.

SURVEY QUESTIONS and Options

Lewiston Parks and Recreation Community Survey: Future of Bert Lipps Pool

This survey closes at 11:59 p.m. on August 6, 2024.

The Parks and Recreation Commission is seeking your input on the future of the Bert Lipps Pool property. Your feedback is crucial in helping us decide the best course of action.

Bert Lipps Pool, built in 1947, has been a beloved summer destination for Lewiston families and youth. However, during the summer of 2023, we discovered severe operational issues that led to the pool's indefinite closure. The nearly 80-year-old structure has aged to a point that it is beyond repair.

Your Opinion Matters!
